---

# Fundamentals of Stocks

## What are Stocks?

- Represents ownership in a company.
- Categories:
  - **Equity Stocks:** Common shares granting voting rights.
  - **Preference Stocks:** Priority in dividends but limited voting rights.

## Key Stock Metrics

1. **Earnings Per Share (EPS):** Net earnings divided by the number of shares.
2. **Price to Earnings Ratio (P/E):** Market price per share divided by EPS.
3. **Book Value:** Value of company assets minus liabilities.
4. **Dividend Yield:** Dividend per share divided by stock price.
5. **Debt-to-Equity Ratio:** Total liabilities divided by shareholders' equity.

## Stock Market Basics

- **Primary Market:** Where IPOs are issued.
  - **Secondary Market:** Stocks are traded among investors.
  - **Market Capitalization:** Total market value of a company's outstanding shares.
-
